Catshow Ag Supplies- NRI ("we") provide advice and recommendations to the best of our knowledge and based on information which we understand to be up to date and accurate. The manner in which you use and the purposes to which you put any particular products or services referred to in this Recommendation are matters beyond our control. In some cases the information we provide may be in summary form and/or derived from information sourced from third parties. In all such cases you should carefully evaluate all available information and consult us or another professional adviser further before you commit to any course of action. In no circumstances will we accept liability for any indirect, consequential or economic loss or damage arising from your acceptance of this Recommendation or your use of any information or service provided by us.

Important: In no circumstance will Agworld accept liability for any indirect, consequential or economic loss or damage arising from your acceptance of the Recommendation or your use of any information or service provided by your advisor or Agworld. Alternatives and mitigation measures that would substantially lessen any significant adverse impact on the environment have been considered and, if feasible, adopted. If you are not the intended recipient of this Recommendation you cannot rely on it or use it for any purpose. Please notify us immediately so we can ensure the Recommendation is sent to its intended recipient. This Recommendation is subject to the full Agworld Disclaimer.
